Letter from the President, State Executive Council, Sandur.
To the Resident for the Madras States.
No.P4./38-39 dated 10th June 1938.

...

I have the honour to inform you that it is under contemplation to take up the motor transport service in the State as a State monopoly. This arrangement, when effected, would most likely affect the present motor bus service plying from Bellary to Harpanhalli via Sandur. In the interest of the convenience of passengers and efficiency of the bus service, the State will be very willing to consider the question of instituting a State motor transport service from Bellary to Harpanhalli on the following routes, if the Madras Government should give the State a monopoly in this regard.

(i) Route A, Bellary to Harpanhalli, via Sandur, Kudligi and Kottur, and

(ii) Route B, Bellary to Harpanhalli via Sandur, Hospet, Kudligi and Kottur.

2. The State will be glad to know the terms under which the Madras Government would give this monopoly to the State, so far as the roads on these routes in British India are concerned.

3. If this scheme should materialise, it is proposed to bring it into force from 1st April 1939. The State will be glad to have a reply from the Madras Government well beforehand to enable it to make the necessary arrangements.

The remarks of the C.R.T Bd may perhaps be obtained, though there seems to be no reason why Govt should give a Sandur State service a monopoly over any routes in British India
